

# Walk on Water

[Milk Inc.](#)

There was a time where nothing would last  
There was a time I held onto the past I would walk on water just to be with you  
Walk on water just to be with you  
Split the ocean, cross the sea  
Walk on water if you believe There was a time I lost my faith  
There was a time I could only hate  
You were my shepherd, you were my guide  
I followed your dark eyes right into the night You were my savior, you took control  
You came and touched my soul I would walk on water just to be with you  
Walk on water just to be with you  
Split the ocean, cross the sea  
Walk on water if you believe There was a time I lost my faith  
There was a time I could only hate  
You were my shepherd, you were my guide  
I followed your dark eyes right into the night You were my savior, you took control  
You came and touched my soul But why are you still overshadowed by a doubt?  
Only you could see the love that carries me I would walk on water just to be with you  
Walk on water just to be with you  
Split the ocean, cross the sea  
Walk on water if you believe I would walk on water just to be with you  
Walk on water just to be with you  
Split the ocean, cross the sea  
Walk on water if you believe
