

# Creek Mary's Blood

## Nightwish

Soon I will be here no more  
You'll hear my tale through my blood  
Through my people and the eagle's cry  
The bear within will never lay to restWandering on Horizon Road  
Following the trail of tearsWhite man came, saw the Blessed Land  
We cared, you took, you fought, we lost  
Not the war but an unfair fight  
Sceneries painted beautiful in bloodWandering on Horizon Road  
Following the trail of tears, once we were here  
Where we have lived since the world began  
Since time itself gave us this landOur souls will join again the wild  
Our home in peace and war and deathWandering on Horizon Road  
Following the trail of tears, once we were here  
Where we have lived since the world began  
Since time itself gave us this landWandering on Horizon Road  
Following the trail of tears, once we were here  
Where we have lived since the world began  
Since time itself gave us this land
