Cajun Love Song

Leon Russell

Whoa, mama catch a little fishy, papa catch two
Well, back in the bayou it's-a fishin' time
Workin' together on a bottle of wine
We'll go down to Thibodeaux tonightGo roun', go roun', lil' Alice blue gown
We'll soon be together on the bayou sundown
We'll jaw jambalaya, and sing all night long
Me and my baby and a Cajun love songNow I can remember when Alice first came
From Lake Charles to see me at Pontchartrain
But my heart beats slower when she not around
The best things in life not the sameGo roun', go roun', lil' Alice blue gown
We'll soon be together on the bayou sundown
We'll jaw jambalaya and sing all night long
Me and my baby and a Cajun love songSometimes I get lonely and I'm hurtin' inside
When my Alice can't understand
Like a dancer I saw in New Orlean' one time
She makes me feel just like a manGo roun', go roun', lil' Alice blue gown
We'll soon be together on the bayou sundown
We'll jaw jambalaya and sing all night long
Me and my baby and a Cajun love songGo roun', go roun', lil' Alice blue gown
We'll soon be together on the bayou sundown
We'll jaw jambalaya and sing all night long
Me and my baby and a Cajun love song
