

Look For The Silver Lining

[Henry Darragh](#)

As I wash my dishes, I'll be following a plan
Til I see the brightness in every pot and pan
I am sure this point of view will ease the daily grind
So I'll keep repeating in my mind Look for the silver lining
Whenever a cloud appears in the blue
Remember, somewhere the sun is shining
And so the right thing to do is make it shine for you
A heart, full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of life
So always look for the silver lining
And try to find the sunny side of life
