Whenever Wherever Whatever

Maxwell

Lead me on girl if you must Take my heart and my love Take of me all that you wantAnd if there's a thing that you need I'd give you the breath that I breathe And if ever you yearn for the love in me Whenever wherever whatever, baby Whenever wherever whatever, ba-ba-babyWish I knew if I could Be the one that you would Love forever and a day, babyAnd if there's a thing that you need For you and your blood I would bleed And if ever you yearn for the love in me Whenever wherever whatever, baby Whenever wherever whatever, ba-ba-baby Ba-ba-baby, ba-ba-babyAnd if there's a thing that you need I'd give you the breath And if ever you yearn for the love in me Whenever wherever whatever, baby Whenever wherever whatever
