

# We Might As Well Be Strangers

Keane

I don't know your face, no more  
Or feel the touch that I adore  
I don't know your face, no more  
It's just a place I'm looking for We might as well be strangers in another town  
We might as well be living in a different world  
We might as well  
We might as well  
We might as well I don't know your thoughts these days  
We're strangers in an empty space  
I don't understand your heart  
It's easier to be apart We might as well be strangers in another town  
We might as well be living in another time  
We might as well  
We might as well  
We might as well be strangers now, be strangers now For all I know of you now  
For all I know of you now  
For all I know of you now  
For all I know
