Dragon Slayers (feat. Muriah)

the Wizards

SEND THE OWLS!!!

that's right the time has come
to hunt some red and blue dragons
and they on the run
this ain't a game dragon
please don't take the chance
i got a lance in my pants
i'm a legend like bagger vance

please believe the folklore
i'm a choke your neck
i slay dragons for riches, not respect
i got clout without a doubt
i got dragon snouts tied
and they die
when i rip they souls out

(chorus)
we on a journey through the mountains
(where you at dragon?)
through the snow, through the rain
(where you at dragon?)
aint nothing that can stop us
(just show your face dragon)
you're about to get slain
you bout to get slain!!

pussy ass dragon, in your dark ass cave
wrap tha chain round your neck, gonna turn your ass into my slave
fuck with me and i'll snatch those dirty teeth out your mouth
i'm the bloodlustin wizard your momma warned you about

saw those horns off your head
clip those busted ass wings
throw that bitch into a cell
watch the caged bird sing
give his ass a ring if i need some water boiled
heat my dinner lizard before my mood spoils

(chorus)
we on a journey through the mountains
(where you at dragon?)
through the snow, through the rain
(where you at dragon?)
aint nothing that can stop us
(just show your face dragon)
you're about to get slain
you bout to get slain!!

(Cant find the rest)
