

Money

The Drums

Before I die
I'd like to do something nice
Take my hand
And I'll take you for a ride
You hit me yesterday
Because I made you cry
So before we die
I'd like to do something nice
I want to buy you something but I don't have any money
(No, I don't have any money)
I want to buy you something but I don't have any money
(No, I don't have any money)
If I had a car
I would trade in my car
If I had a gun
I would train in my gun
Honey we ran from the country
When we rushed to the city
And now there's nothing to be done (x4)
I want to buy you something but I don't have any money
(No, I don't have any money)
I want to buy you something but I don't have any money
(No, I don't have any money)
I want to buy you something but I don't have any money
(No, I don't have any money)
I want to buy you something but I don't have any money
(No, I don't have any money)
I want to buy you something but I don't have any money
(No, I don't have any money)
I want to buy you something but I don't have any money
(No, I don't have any money)
