Buggface

Outkast

Can I dance?
Ah shit
Big Boi, Big BoiWhat if everything you ever knew or know was lost?
The amnesia tends to freeze you when gathering your thoughts
You pause, for the cause, how to recall and remember
But the train is in reverse and the caboose is in the centerCause your mind ain't free, constricted by the motherfuckin' boundaries
An ounce of E or a pound of dro, couldn't place you on the planet web
I'm transmitting life from bro, brah, brah, brother, broham
Cadillac on 4's, strike a pose and the door slam
Wham nigga wham! Don't they say that in they show Dad?Fo' sho' man, you actin' like a tadpole out of gonads
You know OutKast the truth, hit the boot, we makin' mo' jams
Spreadin' strawberry preserves on your nervous programs
Fuck the learning curve! We took a ramp to no-man's landHello? Is anybody home?
Is anybody givin' dome?
Serve me up, I want someBuggface, Toe Jam
Frown your face up 'cause we don't give a jam
Jam to the jam from jelly to the jam
Imagine we not jammin', shove it up your monkey jamBuggface, Toe Jam
Frown your face up 'cause we don't give a jam
Jam to the jam from jelly to the jam
Imagine we not jammin', shove it up your monkey jamWhen I'm left alone I get to thinkin' to myself
The mind's a terrible thing to waste so use til none's left
Like everything is alright, clearly tight to death
I can see clearly now analyzin' every stepClearly you can feel me 'cause it's beatin' through your chest
And you can see me clearly through the window paint, drip but wet
But no tint, not just yet, clearly I'm a vet and not no veterinarian
But clearly pit-bulls are the bestLike the O-U-T-K-A-S, clearly nigga you know the rest
And if you actin' like you don't then clearly nigga you tryin' to test
Crystal clearly I confess and I suggest you clear the runway
'Cause the ticket is a one way, clearly back we won't be comingBuggface, Toe Jam
Frown your face up 'cause we don't give a jam
Jam to the jam from jelly to the jam
Imagine we not jammin', shove it up your monkey jamBuggface, Toe Jam
Frown your face up 'cause we don't give a jam
Jam to the jam from jelly to the jam
Imagine we not jammin', shove it up your monkey jamI want to dance, can I dance?
Can I dance?
Can I dance?
