

# Rest of My Life

## Kottonmouth Kings

I'm gonna smoke weed for the rest of my life  
You can find me postin on my porch token on a pipe  
I'm gonna smoke weed for the rest of my life  
See some people gave in, but I ain't giving up this fight  
I'm gonna smoke weed for the rest of my life  
You'll find me old postin on my porch token on a pipe  
I'm gonna smoke weed for the rest of my life  
See I'm in love with mary jane,  
I'm gonna make her my wife, yeah, yeah, yeah  
For the rest of my life, yeah, yeah, yeah  
For the rest of my life

Sometimes I wanna get high  
Travel up away to the beautiful skies  
Float away and hope to never come down  
Hope to see the day that I never come down  
Cause what goes up is always bound to fall  
All I'm trying to say is that I live my life raw  
I'm gonna smoke weed the rest of my life  
And give it all I got till the day that I die, yeah  
Yeah

I'm gonna smoke weed for the rest of my life  
You can find me postin on my porch token on a pipe  
I'm gonna smoke weed for the rest of my life  
See some people gave in, but I ain't giving up this fight  
I'm gonna smoke weed for the rest of my life  
You'll find me old postin on my porch token on a pipe  
I'm gonna smoke weed for the rest of my life  
See I'm in love with mary jane,  
I'm gonna make her my wife, yeah

You can't see what you're not looking for...

When I look in the mirror I feel so low  
I see my eyes and I feel the glow  
I know I can make do, let's bless the sole  
Show my love, and let myself go, woah  
Everybody knows that I spit these flows, and I drink my beer  
Smoke my weed, but my hand's in the clear

Show your love, respect the one you're dreaming of  
Woah

I'm gonna smoke weed for the rest of my life  
You can find me postin on my porch tokin on a pipe  
I'm gonna smoke weed for the rest of my life  
See some people gave in, but I ain't giving up this fight  
I'm gonna smoke weed for the rest of my life  
You'll find me old postin on my porch tokin on a pipe  
I'm gonna smoke weed for the rest of my life  
See I'm in love with mary jane,  
I'm gonna make her my wife, yeah, yeah, yeah  
(I'm gonna smoke weed for the rest of my life, yeah)  
For the rest of my life, yeah, yeah, yeah  
(I'm gonna smoke weed for the rest of my life, yeah)  
For the rest of my life

Let us plant trees that bear positive fruit  
And nourish our youth with compassion and truth  
Then enlighten their minds to the deepest roots  
All the way to the core where their souls can stay true  
I can walk free with a joint in my hand  
And I can plant plants right upon my land  
Help me understand these are nature's laws  
My creator had visions in the things he saw, yeah  
He saw 'em yeah, yeah, my creator had visions in the things he saw  
He saw 'em yeah, yeah, my creator had visions in the things he saw

I'm gonna smoke weed for the rest of my life  
You can find me postin on my porch tokin on a pipe  
I'm gonna smoke weed for the rest of my life  
See some people gave in, but I ain't giving up this fight  
I'm gonna smoke weed for the rest of my life  
You'll find me old postin on my porch tokin on a pipe  
I'm gonna smoke weed for the rest of my life  
See I'm in love with mary jane,  
I'm gonna make her my wife, yeah

Now when your love is lost, and your spirits are low  
The world's closing in around you, got no place to go  
Done all that you could to ease and please another soul  
And in the end you're in the cold, another sad story told  
That's why I make my own decisions on how I'm living  
Try to get by with the knowledge that I'm given  
Can't make me believe, cause a tree is a tree

And when my soul bleeds the color that I'm spillin' is green

I'm gonna smoke weed for the rest of my life  
You'll find me old postin on my porch tokin on a pipe  
I'm gonna smoke weed for the rest of my life  
See I'm in love with mary jane,  
I'm gonna make her my wife, yeah

I'm gonna smoke weed for the rest of my life, yeah  
For the rest of my life  
(Gonna smoke, gonna smoke, gonna smoke till the day I die)  
(Cause we are, till we die)

I'm gonna smoke weed for the rest of my life, yeah  
It's my life

---
