

# Get It

## Britney Spears

And it hit my heart  
and it hit you hard  
And i lose control  
and i hit the floor  
And i say  
Hey, what's your name?  
I am here  
Going insane  
I wanna get  
Hit it off  
Like i need so peeved off  
And i say  
Hey, what's your name?  
I am here  
Going insane (no)  
Gotta go, gotta go yeah yeah  
Get it yeah (oh)  
Gotta go, gotta go, yeah yeah (oh)  
Gotta go, Gotta go, Gotta go yeah yeah  
Get it, Get it, it won't take  
Get it, Get it, it's the way  
Get it, Get it, this will take  
My debt can pay  
Get it, Get it, real slow way  
Get it, Get it, to get some pay  
I say, I say (hey)  
Ohh, Ohh  
Gotta go, gotta go, yeah yeah  
Get it yeah (oh)  
Gotta go, Gotta go, yeah yeah (oh)  
Gotta go, Gotta go, Gotta go, oh yeah

Get it, Get it, it won't take  
Get it, Get it, it's the way  
Get it, Get it, this will take  
My bedt can pay (???)  
Gotta run won't get my time  
All my way we do some life  
Oh to be, to be my man..

Get it, get my life  
Get it, get my soul  
Get it, get myself  
And how we roll  
Get it, get my life  
Get it, get my soul  
Get it, get myself  
And how we roll  
Get it, get my life  
Get it, get my soul  
Get it, get myself  
And how we roll  
Get it, get my life  
Get it, get my soul  
Oh, Get it, Get it, Get it Yeah  
Get it, get it, get it, today  
Gotta let it go today ( no oh )  
Gotta let it go today  
Time will be not the same (the same)  
Now you got a price to pay  
Oh, I...
