

My Nation Healed

Free Chapel

And You said
If my people who are called by my name
Would humble themselves and pray
Then You would hear from Heaven
Then You would heal the land

Oh God
Open up the windows of heaven
Pour down healing rain to a dry
And thirsty land

I am Yours called by Your name
I bow down humble myself and pray
Father, hear me, Father make it right
And use my generation
To heal the nations crying out

I won't delay, I won't hesitate
I will obey Your call and abandon all to see
The power of God
Your glory revealed, my nation healed

I am Yours called by Your name
I bow down humble myself and pray
Father, hear me, Father make it right
And use my generation
To heal the nations crying out

I won't delay, I won't hesitate
I will obey your call and abandon all to see
The power of God
Your glory revealed, my nation healed

We cry out, we cry out, open up
Open up the heavens pour out healing rain
Open up, open up the Heavens
I want to see my nation healed
