

Fountain of Youth

Cane Hill

Everyone says that the good die young
But if I die young what will you say about me? Everyone said I could change
I could be saved
I could be a nice motherfucker
Everyone said it's OK
There's always a way
But I don't think I'm gonna get another
Everyone says that the good die young
But if I die young what will you say about me? I don't care, I don't care if I don't make it
This is the let down. I'll never get out
I don't care, I don't care if I don't make it
This is the let down so get down
You keep telling me I'm gonna be fine
You keep telling me. Empty promising
Smiling bright until my eyes eat me alive
Salivating me
Shut the fuck up
I just want it to stop
I don't care, I don't care if I don't make it
This is the let down. I'll never get out
I don't care, I don't care if I don't make it
This is the let down so get down
So get down
I don't care, I don't care if I don't make it
This is the let down
I'll poison the water and jump in the lake
I'm dried up and tied up in hopes I could stay
They'll find me on Monday in permanent sleep
Now I am the fountain of youth that you seek
Everyone says that the good die young
But if I die young what will you say about me? I don't care, I don't care if I don't make it
This is the let down. I'll never get out
I don't care, I don't care if I don't make it
This is the let down so get down
I don't care, I don't care if I don't make it
This is the let down so get down
