

Zipper (feat. 2Pac) DJ Henny

Christina Milian

So we was up, up in the club
To the bar, hit 'em up
Now it's straight to the bar, hangin' low
Hips made him fall, could you pick him up? All up in my ear, talkin' mad shit
So I was all up in ear with some mad shit
Played hard to quit but you kinda cute
I'ma hard to quit but you kinda cute Now he all up on me wanna know C
All up on me like he know C
So I put it on him for a couple weeks
Now he can't keep his hands off my zipper Always lovin' on me, zipper
Always huggin' on me, zipper
And always got you tuggin' on my
Tuggin' on my zipper Ain't got nothin' on me, zipper
Always searchin' on me, zipper
All I know but he can't keep his hands I know, I know, I know, I know, I know, I know
I know, I know, I know, I know, I know, I know
I know, I know, I know, I know
I know, I know, I know, I know, I know, I know When he's with me, he know
There ain't no place I'll rather be
They ain't like me
I got him hugged up, loved up Tuggin' on my zipper
Tuggin' on my zipper
Tuggin' on my zipper
Tuggin' on my zipper, zipper Always lovin' on me, zipper
Always huggin' on me, zipper
And always got you tuggin' on my
Tuggin' on my zipper Ain't got nothin' on me, zipper
Always searchin' on me, zipper
All I know but he can't keep his hands I know, I know, I know, I know, I know, I know
I know, I know, I know, I know, I know, I know
I know, I know, I know, I know
I know, I know, I know, I know, I know, I know, zipper Always lovin' on me, zipper
Always huggin' on me, zipper
And always got you tuggin' on my
Tuggin' on my zipper Ain't got nothin' on me, zipper
Always searchin' on me, zipper
All I know but he can't keep his hands I know, I know, I know, I know, I know, I know
I know, I know, I know, I know, I know, I know
I know, I know, I know, I know

I know, I know, I know, I know, I know, I know
