Distant Star

Super Stereo

Buckle up
Sure you're ready?
Clear my thoughts
Keep it steadyTold my love
Be home tonight
Now's the time
To prove me rightStay up late
Watch the sky
Worth the wait
My oh my
Baby I've
Been so far
Comin' from
A distant starFire one
Astro blaster
Gettin' hot
Gettin' fasterMake some noise
Look out below
Flip that switch, 3-2
3-2-1 Go!Stay up late
Watch the sky
Worth the wait
My oh my
Baby I've
Been so far
Comin' from
A distant starChill out
Stick together
Close your eyes
Feel the pressure(Ahh)Stay up late
Watch the sky
Worth the wait
My oh my
Baby I've
Been so far
Comin' from
A distant starStay up late
Watch the sky
Worth the wait

My oh my
Baby I've
Been so far
Comin' from
A distant starCool off
Nice and easy
Not too fast
Don't get queasyCheck yourself
How's everyone else
Engine's clear
Guess we're here
