

# Another Day

[Andrea von Kampen](#)

[Verse 1]

'Nother day and another place to be  
Other people that don't know much 'bout me  
I am waiting for the church bells to ring but right now  
Can't look to you for anything  
Maybe one day they'll know my face and they'll see me walking and

Look my way[Chorus 1]

But it don't mean a thing

No it don't mean a thing

I convince myself easily[Verse 2]

I was told this story long ago

Of a man who built his house on sand

When the rains came everything he had

It slowly slipped through his hands

I can't live that way and make those same mistakes oh

Put my faith in things that

Never stay the same[Chorus 2]

But they don't mean a thing

No they don't mean a thing

I convince myself easily
