

# Bobblehead

Christina Aguilera

When you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
When you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wahGirls like you give girls a bad name  
Trying to get a boy but you sound so lame  
Thinking it's cute to act real dumb  
But the jokes on you, you stupid hunHold up, you're making no sense  
You're talking out your ass  
Like a waffle head, you bobblehead  
Just keep your trap shut like your mama saidWhy, oh, why pretend?  
I know you got a brain, why don't you use it?  
Why, oh, why pretend?  
If you so smart, why you act brain deadWhen you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
When you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wahBut wait, like I don't get it  
He, he, ha I don't care what you looking at?  
Body so skinny but your head's so fat  
Talky, talky, talky but you don't say shitGot a way with words, you give me nothing, bitch  
Banging on the door, nobody else there  
You nightmare on Elm Street got everybody scared  
Making me wanna run when you coming around  
Because it's a frightening soundWhy, oh, why pretend?  
I know you got a brain, why don't you use it?  
Why, oh, why pretend?  
If you so smart, why you act brain deadWhen you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah

Wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
When you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wahBut wait, like, like what like, like what?  
I don't get it, like what, what really?Hanging with the girls makes you feel unsure  
So you hang with the boys, makes you feel secure  
Act all catty 'cause you hate competition  
Bobble like a sheep on your airhead missionLaugh in you face but behind your back  
They say "I kinda like her booty but the girl is whack"  
You see the boys, the boys they love me  
Think you're a pain in your butt? Know what? You're crazy.Why, oh, why pretend?  
I know you got a brain, why don't you use it?  
Why, oh, why pretend?  
If you so smart, why you act brain deadWhen you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
When you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
When you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
When you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
When you talk all I hear is  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wah, wah, wah, wah  
Wah, wah, wah, wah, wahAnd the real girls all say I never play dumb  
To get what I want  
And always come out the one  
That's on topI never play dumb  
To get what I want  
And always come out the one  
That's on topI never play dumb  
To get what I want  
And always come out the one

That's on top I never play dumb  
To get what I want  
And always come out the one  
That's on top I don't get it
