All American Girls

Sister Sledge

We're all American girls
And we love the life that we lead
We're all American girls
Hear what we say, know what we meanWe're all American girls
And we love the life that we lead
We're all American girls
Hear what we say, know what we meanThe day has finally come
We're reaching out for number one
We've worked hard all of our lives
It's a fight just to surviveYou'd better get this straight
Wise up before it's too late
We're not threatened by your lies
Or your goodbyesWe're all American girls
And we love the life that we lead
We're all American girls
Hear what we say, know what we meanSometimes the struggle gets rough
You give your all, but it's not enough
A vacant job at the top
Don't let them tell you that right you're notWe're not asking to reverse
Roles so long rehearsed
Give us an equal share
That's just fairWe're all American girls
And we love the life that we lead
We're all American girls
Hear what we say, know what we meanWe're all American girls
And we love the life that we lead
We're all American girls
Hear what we say, know what we meanAll American
All American girls
All American
All AmericanWe're all American girls
And we love the life that we lead
We're all American girls
Hear what we say, and know what we meanWe're all American girls
And we love the life that we lead
'Cause we're all American girls
Hear what we say, and know what we meanWe're all American girls
And we love the life that we lead
We're all American girls

Hear what we say
