

# My Last Breath

## Evanescence

Hold on to me, love  
You know I can't stay long  
All I wanted to say was  
I love you and I'm not afraid, oh Can you hear me?  
Can you feel me in your arms? Holding my last breath  
Safe inside myself  
Are all my thoughts of you  
Sweet raptured light, it ends here tonight I'll miss the winter  
A world of fragile things  
Look for me in the white forest  
Hiding in a hollow tree  
(Come and find me) I know you hear me  
I can taste it in your tears Holding my last breath  
Safe inside myself  
Are all my thoughts of you  
Sweet raptured light, it ends here tonight Closing your eyes to disappear  
You pray your dreams will leave you here  
But still you wake and know the truth  
No one's there Say goodnight  
Don't be afraid  
Calling me, calling me  
As you fade to black (Say goodnight)  
Holding my last breath  
(Don't be afraid)  
Safe inside myself  
(Calling me, calling me)  
Are all my thoughts of you  
Sweet raptured light, it ends here tonight Holding my last breath  
Safe inside myself  
Are all my thoughts of you  
Sweet raptured light, it ends here tonight  
Holding my last breath
