

# I Indeed Can See

## The Naked Brothers Band

I indeed, I indeed can see  
I indeed, I indeed can see  
But the question is can you see me  
But the question is can you see me  
I indeed, I indeed can see  
I indeed, I indeed can see  
Everything will be alright  
Everything will be ok  
Just gotta hold on tightly  
Just gotta stay with the group  
I indeed, I indeed can see  
I indeed, I indeed can see  
I indeed, I indeed can see  
I indeed, I indeed can see  
But the question is can you see me  
Yes the question is can you see me ohhh  
I indeed, I indeed can see  
I indeed, I indeed can see  
I indeed, I indeed can seeeee  
I indeed, I indeed can seeeee  
I indeed, I indeed can see  
I indeed, I indeed can seeeee  
I indeed, I indeed can see  
I indeed, I indeed can see ohhh  
I indeed, I indeed can seeeee  
I indeed, I indeed can see yeah  
I indeed, I indeed can see ohhh  
I indeed, I indeed can seeeee  
I indeed, I indeed can see yeah  
I can see  
I indeed, I indeed  
I indeed, I indeed  
I indeed, I indeed  
I indeed, I indeed  
I indeed, I indeed  
I indeed, I indeed
