

Action

Oba

They come to me to ask whey de action does be??? Ah tell dem up in Savannah..when you see dem come
Panorama....it basically coming from dem pan made of steel....dey go have you in frenzy....have you jumpin' off
your feet with:

Chorus: with some sweet melody....music sweet, sweet, sweet sweet.....take your shirt off and play a mas, if you
want some action!

Jump around in Despers, take a trip with All Stars.....watch around how the natives move, and get in de groove....

You could jump around inside a bandjump up with a steel band man, push your bambam on de pan.....Jump!
Ah Say jump! Ah say jump! Ah say jump!!

Take a flag and start to wave, get on bad and misbehave...if you want action!

Vs.2---Action you want? Is action is whey you go get...but you must have de stamina, for de road, de
Savannah...is there be jammin' when you see dem bands all flow....you go be in ecstasy from count of one-two-
three!....with:
to chorus

Vs.3---Is mas d'kaise, chutney and brass festival?? Well to answer your question, all of dem are real action....
but nothing to overcome de sweet sound of de pan....so you get with de program, when you hear de steel band
jammin'....to chorus

Jump around inside a band, jump up with a steelband man, push your bambam on de pan....Jump! ah say jump!
ah say jump! ah say jump!! take a flag and start to wave, get on bad and misbehave if you want action!
