

Snow Globe

Armor for Sleep

I used to believe
That no one else was alive
That all of the world was just a show
Inside my own mindThe dog's on a leash
Tied to a pole shaking above the snow
I try to pretend, I try to pretend
Everything's just in my headThe choirs in line
Belting its soul over the dying crowd
Singing for love, their voices will soar
And disappear through the floorI used to believe
That no one else was alive
That all of the world was just a show
Inside my own mind
