Death by Whips

Tankard

Every day and all night long
The fucking breakdancers wanna be strong
We can't hear their fucking sound
We want metal - play it loud!Die - Hard! Death! Whips!Metal Militia in a heaurs
Our cruelest gang on earth
Django Bullwhip is the chief
Smash the dancers on their kneesDeath by whips
Kill'em hard
Death by whips
Kill'em hardBrealdancers wanna flee
Swords and spikes to their cheeks
Metal Militia wanna headbang
It's so loud, you'll die in painDie - Hard! Death! Whips!Use your bullwhips and your guns
Limb by limb, now they run
These are our greatest weapons
To slash up those fucking cretinsDeath by whips
Kill'em hard
Death by whips
Kill'em hardEvery day and all night long
The fucking breakdancers wanna be strong
We can't hear their fucking sound
We want metal - play it loud!Die - Hard! Death! Whips!Metal Militia in a heaurs
Our cruelest gang on earth
Django Bullwhip is the chief
Smash the dancers on their kneesDeath by whips
Kill'em hard
Death by whips
Kill'em hard
