

Tuff Enuff

Shit Robot

I would walk ten miles on my hands and knees
Ain't no doubt about it, baby, it's you I aim to please
I'd wrestle with a lion and a grizzly bear
It's my life, baby, but I don't care Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff For you, baby, I would swim the sea
Nothin' I'd do for you that's too tuff for me
I'd put out a burning building with a shovel and dirt
And not even worry about getting hurt Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff I'd work twenty-four hours, seven days a week
Just so I could come home and kiss your cheek
I love you in the morning and I love you at noon
I love you in the night and take you to the moon Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff Lay in a pile of burring money that I've earned
And not even worry about getting burned
I'd climb the Empire State and fight Muhammad Ali
Just to have you, baby, close to me Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff I would walk ten miles on my hands and knees
Ain't no doubt about it, baby, it's you I aim to please
I'd wrestle with a lion and a grizzly bear
It's my life, baby, but I don't care Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff
Ain't that tuff enuff
