

Howl (Instrumental)

The Unlikely Candidates

I am a man, not an animal
But my fangs drip when I hear your call
I break my chains and sink in your skin
Sweet mindless love, I'm a beast again And I howl
For you tonight, for you tonight
And I howl
By the Moonlight, You'll make me right
I'll howl for you Wrapped under the cover of moonlight
Her arms are warm and they hold me tight
That loving smile turns into all teeth
She lays me down says "just feel don't speak" And I howl
For you tonight, for you tonight
And I howl
By the Moonlight, You'll make me right
I'll howl for you I need you tonight
Let me love you, love you
Like I'm dying, I'm dying
Let me love you, love you, love you
Like I'm dying, I'm dying, I'm dying Please forgive me if I lash out
trapped in this world, this cage of doubt
Your love's the only thing that's true
I know you'll be there to lick my wounds And I howl
For you tonight, for you tonight
And I howl
By the Moonlight, You'll make me right
I'll howl for you Let me Love you, love you, love you
Like I'm dying, I'm dying, I'm dying I don't know what will come after
Got no time so love me faster
and I howl
when it all comes to an end
I hope that I'll see you again
And I howl for you
