

Running On Faith (Take 1)

Eric Clapton

Lately I've been running on faith
What else can a poor boy do?
But my world will be right
When Love comes over youLately I've been talking in my sleep
Can't imagine what I'd have to say
Except my world will be right
When love comes back your wayI've always been
One to take each and every day
Seems like by now
I'd find a love who cared just for meThen we'd go running on faith
All of our dreams would come true
And our world would be right
When love comes over me and youWell, I've always been
One to take each and every day
Seems like by now
I'd find a love who cared just for meThen we'd go running on faith
All of our dreams would come true
And our world will be right
When love comes over me and you, yes it wouldLove comes over, over you
Love comes over, over youLove comes over you
Love comes over you
Love comes over you
Love comes over you
