Rocking With The Best

United in Dance

INTRO:
uh come on, uh two step uh
yea uh come on, uh two step uh
yea, lets work, haha AHA!Verse 1: Jadakiss
yea, we can do it up
just the two of us
me and you shorty, we don't need the crew with us
you know my hammalog
im the man in charge
i like your Louis bag the monogramoflauge
a little zif and dale
a little ace of spade
ima roll a purp up and let you tast the haze
you know i gotta thug it
Olympic size swimming pool
with the moze tiles at the bottom of it
you can spend and keep spending i aint got a budget
i done put enough away that i aint gotta touch it
dont worry about nothing, kiss got it covered
youre now rocking with the best girl gotta love itCHORUS: Bobby Valentino, Pharrell, Jadakiss
GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self
GO GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self now you're rocking the best you don't need no help
you're now rocking with the best now
GO GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self
GO GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self now you're rocking the best you don't need no help
you're now rocking with the best now (go girl)Verse 2: Jadakiss
when you at the top
its no stopping it
take a second, realize who you rocking with
just notice the color car that you shopping with
take pride in the joint when you mopping it
kiss melts in ya mouth like chocolate
make sure its hot whenever you dropping it
right now we got billionaire gwap to get
you aint in the boys club you just cop the fit

im two stepping and honey poppin it
your first was the worst now its the opposite
yes, i must confess girl, ya now rocking with the best girlCHORUS: Bobby Valentino, Pharrell, Jadakiss
GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self
GO GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self now youre rocking the best you dont need no help
youre now rocking with the best now
GO GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self
go girl (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self now youre rocking the best you dont need no help
youre now rocking with the best now (go girl)HOOK: Pharrell, Bobby Valentino
get ya glass up, cus im back again
what it do shorty, whats happening
you know this beat jimmy, case youre on the groove
everybody looking, what youre gonna do
now move closer for the KID one time
closer for the KID one time
closer for the KID one time
back that ass on the KID one time
now drop it like you do it for the EAST one time
now drop it like you do it for the WEST two times
now drop it like you do it for the NORTH three times
now drop it like you do it for the SOUTH.....GIRLVerse 3: Jadakiss
you can stay around here, we can take a trip
i take you to the block show you how i make it flip
and i spend it so fast cus i make it quick
all i ever knew how to do was make em sit
pop another bottle ma, lets take a sip
close ya eyes blow the candles out make a wish
and just forget about the rest of em, cus ya now rocking with the best of emCHORUS: Bobby Valentino, Pharrell, Jadakiss
GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self
GO GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self now youre rocking the best you dont need no help
youre now rocking with the best now
GO GIRL (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self
go girl (left, left, right, right) (left, left, right, right)
two stepping with my gangsta self now youre rocking the best you dont need no help
youre now rocking with the best now (go girl) girl girl girl girl.....
