

# Antarctica Inside Me

## Poison the Well

She's a ballerina.  
She dances circles around me.  
She tells me what I want to hear.  
But I'm just never satisfied.  
I live with a ballerina.  
I live with a ballerina. Those constant moves.  
She never stops, she never stops.  
It's making me nervous.  
Taunting me on tippy toes.  
When will my transformation come?  
Those constant moves.  
She never stops. I sit under rain gathering the courage to do what my mind tells me?  
But I'll just lay around.  
I've become a joke, a disrespectful being that's been handed all he's ever wanted.  
But can't find satisfaction.  
What more could anyone ask for but a smiling blur, a perfect human being.  
Those constant moves.  
She never stops she never. I sit under rain gathering the courage to do what my mind tells me?  
But I'll just lay around.  
I've become a joke, a disrespectful being. She's a ballerina.  
She dances circles around me.  
She tells me what I want to hear.  
But I'm just never satisfied. Making her way through my body.  
She's a ballerina.  
Dancing around my head.  
She tells me what I want to hear.  
But nothing ever satisfies.  
Making her way through my body making every organ touched more beautiful than the last.
