Hoboken

Operation Ivy

I'm in this prison built for you
In this situation I don't know what to do
Can't make a connection get a reaction
There's this wall and I can't get through
You're dying some guilt with no words
What did I say what did I do
Youth hostels I lodged
Kept seeing you as a mirage
Flashesof you were everywhere
Hoboken new jersey
I'm in this prison built for you
In this situation I don't know what to do
Always something makes me think
Things dont have to be so wrong
You put up walls with nothing spoken
In your weakness you're so strong
