

I'm Not There

Buffalo Tom

Maybe it's only 'cuz I'm so poor
That you don't count me anymore
 Maybe I'm tryin' to compare
 Take my picture don't you dare
(Don't you dare)Maybe it's only 'cuz I fall
 I'm so much closer, but you're so tall
 But I'm no baby, I ain't no child
I'll get to bed soon in a whileHear me callin' down your stairs
 Count your children don't be scared
(Don't be scared)My wooden floor is awful bare
 But you can't take me I'm not there
(I'm not there)'Cuz I'm screamin', 'cuz I'm tired
 I'm a little bit lonesome, I'm not so dire
 But I'm no baby, I'm no child
I'll get in bed now just for a whileHear me callin' down your stairs
 Count your babies one's not there
 One's not thereYeah
 No killing
 Nobody
