

# Outside Looking In

Jordan Pruitt

You don't know my name  
You don't know anything about me  
I tried to play nice  
I wanna be in your game The things that you say  
Now you may think  
I never hear about them But word travels fast  
I'm telling you to your face  
I'm standing here behind your back You don't know how it feels  
To be outside the crowd  
You don't know what it's like  
To be left out And you don't know how it feels  
To be your own best friend  
On the outside looking in If you could read my mind  
You might see more of me  
Than meets the eye And you've been all wrong  
Not who you think I am  
You've never given me a chance You don't know how it feels  
To be outside the crowd  
You don't know what it's like  
To be left out And you don't know how it feels  
To be your own best friend  
On the outside looking in I'm tired of staying at home  
I'm bored and all alone  
I'm sick of wasting all my time You don't know how it feels  
To be outside the crowd  
You don't know what it's like  
To be left out And you don't know how it feels  
To be your own best friend  
On the outside looking in You don't know how it feels  
To be outside the crowd  
You don't know what it's like  
To be left out And you don't know how it feels  
To be your own best friend  
On the outside looking in
