It doesn't Matter Anymore

Â¿Â¬Ã•Ã¸

There you go and baby here am I
Well you left me here so I could sit and cry
Well Golly Gee what have you done to me?
Oh well I guess it doesn't matter anymore, anymore
Do you remember baby last September
How you held me tight each and every night
Well whoops a daisy how you drove me crazy
But I guess it doesn't matter anymore, oh yeah

There's no use in me a crying
I've done everything and now I'm sick of trying
I've thrown away my days, wasted all my nights over you
And all your dreams, all your foolish schemes
Well you go your way and I'll go mine
Now and forever till the end of time
I'll find somebody new baby, we'll say we're through
And you won't matter anymore, anymore, any more
