Don't Know How To Stop

Halestorm

Head lights, red lights, got it in my sights
Nothin?s in my way
No sound, hush now, push the pedal down
Got no time to waste
It?s a long way home
You just crossed a borderline
When I say, ?Go!?
You know you better hold on tight
I don?t know how to stop, I give it all I?ve got
It?s like my brakes are shot
I gotta have too much, I don?t know how to stop
Gets crazy but so what
You know it?s what you want so give it up
And don?t be scared of
How good it feels
One speed, full speed
That is all I need
They can eat my dust
Hell yeah, rock on
Will you come along?
Do I have your trust?
It?s a long way down
If you?re getting? this high
When I say, ?Now!?
You had better hold on tight

Now!
I don?t know how to stop, I give it all I?ve got
It?s like my brakes are shot
I gotta have too much, I don?t know how to stop
Gets crazy but so what
You know it?s what you want so give it up
And don?t be scared of
How good it feels
Tell me how good it feels
You know you don?t want me to (I don?t know how to stop)
And now that I?m here with you (I don?t know how to stop)
Here?s what we?re gonna do (I don?t know how to stop)
You know you don?t want me to, yeah!

(I don?t know how to stop)
How good it feels, tell me how good it feels, don?t be scared, scared, scared
Scared of how good it feels
I don?t know how to stop, I give it all I?ve got
It?s like my brakes are shot
I gotta have too much, I don?t know how to stop
Gets crazy but so what
You know it?s what you want so give it up
And don?t be scared of
How good it feels
I don?t know how to stop?
How good it feels
I don?t know how to stop (x3)
