Butterflies Are Blue

Magneta Lane

Change
Always is so nice
Didn't even notice
Just as long as I was rightHearts
Though they sometimes care
Our minds remain the rebels
And the dream was never thereSave myself again
Save myself again
Oh I save myself again
Oh yes I save myself again
YahTime
Handles everything
Waiting is a talent
At the end it all beginsOur hearts
Though they sometimes care
My mind remained the rebel
And the love was never thereSave myself again
Save myself again
Oh I save myself again
Oh yes I save myself again
Save myself again
Oh I save myself again
Oh yes I save myself again
Yes I save myself again
