

Don't Mind

The Modeles

 baby i love you?
 (love you, love you)
 when i leave
do you think about me?
 when you're gone
i can't wait till you get home, home, home
 you were wrong
 so was i
so what are we gonna do?
 so tonight
 i'm a try
whatever you wanna do
 it's up to you
and that's why i
 don't mind
 saying i
 love you
and that's why i
 don't mind
 saying i
 love you
and that's why i
 don't mind
 saying i
 love you
and that's why i
 don't mind
 saying i
 love you
they have tried, yeah
to get what yours and what's mine
 (they can't have what's mine)
but it would take a lifetime
to get between you and i
 they were right
 love is blind
i can't see nothin but you
 so tonight
i'm a try whatever you wanna do

it's up to you
and that's why i
don't mind

saying i
love you
and that's why i
don't mind

saying i
love you
and that's why i
don't mind

saying i
love you
and that's why i
don't mind

saying i
love you

we might fight, sometimes we disagree
you're not right but that's alright with me
love it when you're calling out my name

baby i'm a do the same
i ain't scared to let you know
i would never let you go
you're the only one i need

baby come to me
and that's why i
don't mind

saying i
love you
and that's why i
don't mind

saying i
love you
and that's why i
don't mind

saying i
love you
and that's why i
don't mind

saying i
love you

saying i love you
is giving you strength to
break my heart ooh

but i'm trusting you not to
