Slit Wrist Savior

Carnifex

That was her first time
That was her last timeCut at your face
Blood in the sink
You'll hate your-self
Till the day you dieTill the day you dieBlood on your hands
Blood on your legs
Why does this happen time and time again?
Time and time againBloodI should have sown my heart in my chest
Are eyes should have never met
Eyes should have never met
Never met (2x)FINE, FUCK YOU THENSlit wrist savior
She cuts to see bloodSHE CUTS TO SEE BLOOD!!!
