Oh What a Night In Bethlehem

Sawyer Brown

Oh, what a night in Bethlehem
Something's going on in Bethlehem
Gonna head that way, gonna check it out
And see what all this fuss is about in BethlehemAnd oh, what a night
And oh, us shepherds, we all came
And the wise men proclaimOf this virgin girl is a King
And the light of the world
And oh, what a nightOh, what a night in Bethlehem
I had to see for myself in Bethlehem
A light came down, now it reaches out
To show us what this fuss is about in BethlehemAnd oh, what a night
And oh, us shepherds, we all came
And the wise men proclaimOf this virgin girl is a King
And the light of the world
And oh, what a nightAnd oh, what a night
Oh, what a night in Bethlehem
Oh, what a night in BethlehemAnd oh, and oh and oh
Oh, what a night in Bethlehem
And oh, oh, what a night in Bethlehem
