

Superman (OST Tony Hawk's Pro Skater HD

Goldfinger

So here I am, doing everything I can
Holding on to what I am
Pretending I'm a superman
I'm trying to keep, the ground on my feet
Seems the world is falling down around me
The night's are long, I'm singing this song
Trying to make the answer's more a maybe
And I'm so confused, about what to do
Sometimes I want to throw it all away
So here I am, growing older all the time,
Looking older all the time,
Feeling younger in my mind
So here I am, doing everything I can
Holding on to what I have
Pretending I'm a superman
I'm trying to sleep,
I lost count of sheep,
My mind is racing faster every minute
What could I do more,
Yeah, I'm really not sure
I don't want to run in circles but I can't quit
And I'm so confused
I've got a lot to do
Sometimes I want to throw it all away
Controlling everything inside
Feeling weak I don't feel right
Telling me I have to change
Telling me to act my age
But if all that I can do
Is to sit and watch time go
Then I'll have to say goodbye
And I'll be sure to watch time fly, to watch it fly-hy-hy
So here I am,
Growing older all the time,
Looking older all the time,
Feeling younger in my mind
Here I am, doing everything I can
Holding on to what I am,

Pretending I'm a superman
