Techno

Houk

music - D. Malejonek, R. Sadowski
lyrics - D. Malejonek
Time after time
Lie after lie
Tommorow could be too late
So take my hand and be my friend
Try - try so hard
Feelings just get stronger
No one could bring me down
Fly - fly so high
Drop the fear
Want you join this ride
Time after time
Someone gots to pay
But who knows the price
