

Wrong Opinion

Chairlift

Overhead and underfoot
If you cut it down then you will never know
I laid my guts out on the table
Laid my guts out and you said no
You got a wrong opinion
Wrong opinion If you don't get it
You don't get to have it
If you don't get it it's fine by me
Because I see sun
I see sun Over the counter underground
And through the world that you will never know
But to stay and contemplate could make you late
So you take a photo
You got a wrong opinion
Wrong opinion If you don't get it
You don't get to have it
If you don't get it it's fine by me
If you don't get it
You don't get to have it
If you don't get it it's fine by me
Because I see sun
I see sun You don't get it no
You don't get it Yeah the leaves grow where light goes
I see the sun rising over the edge
Did you miss it or ignore it
I see beginning where you see the end
Yeah the leaves grow where light goes
I see the sun rising over the edge
Did you miss it or ignore it
I see beginning where you see the end Because I see sun
I see sun
I see sun
I see sun
I see sun
