

This Little Girl of Mine (Single)

Ray Charles

Well-a, oh yeah
Well-a, oh yeah
Oh yeah
Oh yeah Do you know that this little girl of mine
I want you people to know
This little girl of mine
I take her everywhere I go One day I looked at my suit
My suit was new
I looked at my shoes
and they were too And that's why I, I, I, I
Oh, I love that little girl of mine
Oh, do you know that this little girl of mine
Makes me happy when I'm sad This little girl of mine
Loves me, even when I'm bad
She knows how to love me right down to her teeth
If she does any wrong, you know she keeps it from me And that's why I, I, I, I
Oh, I love that little girl of mine Do you know that this little girl of mine
Called me last night about eight
This little girl of mine
Told me that we had a date She said that she'd meet me at a quarter to nine
Believe it or not, but she was right on time
And that's why I, I, I, I
Oh, I love that little girl of mine Do you know that this little girl of mine
Knows how to dress so neat
This little girl of mine
Stops the traffic on the street When the fellas start whistling, well I don't mind
I can't blame them, 'cause she is fine
And that's why I, I, I, I
Oh, I love that little girl of mine And that's why I, I, I, I
Oh, I love that little girl of mine
