How To Fly

Sticky Fingers

I take the brakes off and I ride
Whatever takes us to get high
I chase the devil into the sky
Cause he's the one who taught me
How to flyI'll forget my name
Cause it's all the same
Bit o' C-co-c-caine
Oh I forget my name
Oh I forget my na-a-a-me
Cause it's all the same
Bit o' C-co-c-caine
Oh I forget my nameI take the brakes off and I ride
Whatever takes us to get highOh I'll forget my name
Cause it's all the same
Bit o' C-co-c-caine
Oh I forget my name
Oh I forget my na-a-a-me
Cause it's all the same
Bit o' C-co-c-caine
I forget my nameI drink the venom
To release the pain
Chain smoking,
I suffocate
Cause we be rebels
The beast untamed
Sticky fingers,Don't forget the nameCause it's all the same
Bit o' C-co-c-caine
Oh I forget my name
Oh I forget my na-a-a-me
Cause it's all the same
Bit o' C-co-c-caine
Oh I forget my name
Oh I forget my name
