

# Hunt You Down

Kesha

I wanna be your baby, your angel all in black  
Your little blue-eyed gypsy who's always got your back  
Yodel-odel-oh, oh oh  
Yodel-odel-oh, oh oh oh  
I wanna be your favorite and always by your side  
I wanna talk forever with babies down the line  
Yodel-odel-oh, oh oh  
Yodel-odel-oh, oh oh oh But I got something to tell you first, alright I've never hurt nobody, never buried a body  
Never killed no one, no, no  
I ain't afraid to get a little crazy  
Baby, when I'm in love  
You say you've had your fun  
But that you're done and I'm the one  
Just know that if you fuck around  
Boy, I'll hunt you down  
I'm like a little kitty and I can see at night  
I got eyes like a hawk, babe, I'm watching all the time  
Yodel-odel-oh, oh oh  
Yodel-odel-oh, oh oh oh But I got a warning for you first, alright I've never hurt nobody, never buried a body  
Never killed no one, no, no  
I ain't afraid to get a little crazy  
Baby, when I'm in love  
You say you've had your fun  
But that you're done and I'm the one  
Just know, that if you fuck around  
Boy, I'll hunt you down I can't believe it, night after night  
Life is so perfect when you walk the line  
Baby, I love you so much  
Don't make me kill you  
I've never hurt nobody, never buried a body  
Never killed no one, no, no  
I ain't afraid to get a little crazy  
Baby, when I'm in love  
You say you've had your fun  
But that you're done and I'm the one  
Just know, that if you fuck around  
Remember, I've never hurt nobody, never buried a body  
Never killed no one, no, no  
I ain't afraid to get a little crazy

Baby, when I'm in love  
You say you've had your fun  
But that you're done and I'm the one  
Just know, that if you fuck around  
Boy, I'll hunt you down  
Yeah, boy, I'll hunt you down
