Make My Heart

Toni Braxton

You pull me close
I get this kind of reaction, yeah, everywhere
Can you feel my pulse?
My heart is beating faster, yeah, from this love affair
And it would be only you talking in my ear
Your lips are so beautiful, ooh, I want them near
Your eyes, they undress me, they make me confess it
The things you make me do, guess now I'm outta control
And you make my heart
You make me dance, sweat out my hair, oh, oh, oh, oh
Go flying out, flippin' in the air, oh, oh, oh, oh
You make my heart
Get pumped enough, coming outta my clothes
You know you do it for me, yes, you do, oh, oh
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
Adrenaline rush
You whisper I get sucked in here, oh look here
My heart bangs like drums
The sound of pure seduction, yeah, ooh, take me there
And it would be only you talking in my ear
Your lips are so beautiful, ooh, I want them near
Your eyes, they undress me, they make me confess it
The things you make me do, guess now I'm outta control
And you make my heart
You make me dance, sweat out my hair, oh, oh, oh, oh
Go flying out, flippin' in the air, oh, oh, oh, oh
You make my heart
Get pumped enough, coming outta my clothes
You know you do it for me, yes, you do, oh, oh
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
You make my heart
Da, da, dum, dum, dum

Da, da, dum, dum, dum
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
Ooh, you made this woman
Have a break-a-down in my heart
Ooh, you made this woman
Have a break-a-down in my heart
Ooh, you made this woman
Have a break-a-down in my heart
Ooh, you made this woman
Have a break-a-down in my heart
And you make my heart
And you make my heart
You make my heart
Get pumped enough, coming outta my clothes
And you make my heart
The ones that fall drop like dominoes
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
You make my heart
You make me dance, sweat out my hair, oh, oh, oh, oh
You make my heart
Go flying out, flippin' in the air, oh, oh, oh, oh
Get pumped enough, coming outta my clothes
You know you do it for me, yes, you do, oh, oh
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum

You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
You make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dum
