Where Did We Go Wrong?

[Stimela](#)

Tell me, tell me
Where did we go wrong
Tell me, tell me
Where did we go wrong
Tell me, tell me
Where did we go wrong
Tell me, tell me
Where did we go wrongYou came into my life,
Made me pick up all the pieces
Lift up the wall when everything would turn me down
Like the rainbow you brought colour into my life
How can I make you see that you are my life
The song that I sing only came through you
That why I'm running
You can't run very far my love would get you
You can't run very far my love would get you
You can't run very far my love would get you
You can't run very far my love would get you
You can't run very far my love would get you
You can't run very far my love would get youTell me where did we go wrong
Tell me where did we go wrong
Tell
