Dance

Nerf Herder

Saw you at the high school dance
I never thought that I'd have a chance with you
but how could I know that
you felt the same way too
then you asked me to dance
I nearly thought that I'd wet my pants its true
I didn't know what
I didn't know what to doThen you touched me
right then I knew it was over
When she touched me
I knew that I'd love her forever
Then you touched me
right then I knew it was over
When you touched me
I knew that it would last foreverThen you touched me
right then I knew it was over
When she touched me
I knew that I'd love her forever
Then you touched me
right then I knew it was over
When you touched me
I knew that it would last foreverSaw you at the high school dance
I never thought that I'd have a chance with you
but how could I know that
you felt the same way too
then we started to sing and dance
and when you reached into my pants
I knew I was in love
And I will always love you
