Shock

The Motels

Escaping the anger
For one minute more
This time it's gone way too far
Desperate stranger
He frightens me so
His hold's too tight
Won't let goI scream long and hard
Won't somebody help me
I scream out the words
Nobody can hearI'm in shock
Got no feeling
I'm in shock
It's like I'm dreaming
I'm in shock
Ooh, stop the shock
Motionless movement
Now everything spins
Torched by time
It begins
My mind is aching
All memories blurred
Madness gives way
I give inPain seems far away
As though I we're just watching
Daydreams interfere
I'm not really hereI'm in shock
Got no feeling
I'm in shock
It's like I'm dreaming
I'm in shock
Ooh, stop the shock
Fear slides away
I hear only one sound
My heart beats so loud
I can't think
I search your eyes
I see nothing but hateNow I'm falling deep into shockTomorrow is hopeless
Impossible dream
Exhausted I lie here and wait

Strength has all left me
My heart feels weak
Miles away someone speaksI scream
Pray they hear
Won't somebody help me
I scream
Someone's near
Get me out of hereI'm in shock
Got no feeling
I'm in shock
It's like I'm dreaming
I'm in shock
Ooh, stop the shockI'm in shock
Can't stop shaking
I'm in shock
Just can't take it
I'm in shock
Ooh, stop the shock
