Mental Revenge

Pam Tillis

I hope that the friend you've thrown yourself with
Gets drunk and loses her job
And ever road you're walking on gets cold rocky and hard
I couldn't make you love me, you only made me blueSo all in all if the curtain should fall
I hope that it falls on you
I hope that it falls on youWell, I hope that the train from Caribou Maine
Runs over your new love affair
You walk the floor from door to door and pull out your peroxide hair
I never was your woman 'cause you were never trueSo all in all if the curtain should fall
I hope that it falls on youAnd I'll have sweet, sweet, sweet mental revenge
I'll have sweet, sweet, sweet mental revenge, oh yeah
I never was your woman 'cause you were never trueSo all in all if the curtain should fall
I hope that it falls on youAnd I'll have sweet, sweet, sweet mental revenge
I'll have sweet, sweet, sweet mental revenge
I'll have sweet, sweet, sweet mental revenge, oh yeah
