

# Pass the Baby

## Jimmy Eat World

The best decision made  
Was let me take the stage  
Do what I say exactly  
Remember you called me  
There's something we can count on  
These boys like swinging low  
If it gets too ugly  
Well, that's our industry  
We feed and feed You pass the baby here  
No, they won't shoot you pass the baby here There's always something happening  
But not for us to say  
What we'll let them hear is candy they can't eat  
The amateurs keep typing  
The numbers keep changing  
It's almost too easy  
The pictures frame themselves Pass  
You pass the baby here  
No, they won't shoot you pass the baby here  
Pass the baby here  
No, they won't shoot you pass the baby here
