

High School

Hanoi Rocks

All the times I spent suffering in school
Y'know, thinking I was so super cool
And baby, all the teachers gave me so much grief
I wanna blow 'em up just to get some relief
Sister, sister, they call me a parasite
Sister, sister, they wanna bury me alive
All day, all week, all term long
They'd dump on me, hoping I'd be gone
Time made me realize, why should I be victimized?
So I took control and decided to teach
I wanna teach high school, high school, yeah
Listen, I tell the little buggers what to wear
You know, I show 'em how to set and dye their hair
And baby, there'll be no costumes at our swimming pool
There'll be no ugly girls at my high school
Sister, sister, they call me a parasite
Sister, sister, they wanna bury me alive
All day, all week, all term long
They'd dump on me, hoping I'd be gone
Girls who are very bright must stay in class all night
And practice their Biology
I love to teach high school, high school
I need to teach high school, high school, yeah
1, 2, 3, 4, 5, 6, 7, 1, 2, 3, 4, 5, 6, 7
1, 2, 3, 4, 5, 6, 7, 1, 2, 3, 4, 5, 6, 7
Time made me realize, that I could brutalize
And get revenge with impunity
If I could teach high school
A, B, C, D, E, F, G, how I love anatomy
2 plus 2 and 3 plus 3, students have a ball with me
A, B, C, D, E, F, G, how I love anatomy
2 plus 2 and 3 plus 3, students have a ball with me
A, B, C, D, E, F, G, how I love anatomy
2 plus 2 and 3 plus 3, students have a ball with me
A, B, C, D, E, F, G, how I love anatomy
2 plus 2 and 3 plus 3, students have a ball with me
A, B, C, D, E, F, G, how I love anatomy
